Trivia Monster Quick Start (version 5.5.0.0)  
The Monthly Trivia Competition

- 1) You have already downloaded the installation package.
- 2) Open the setup\_Trivia.exe file and run the setup
- 3) Go through the setup process. The application should automatically run
- 4) Messages will pop up since it is a new install, and things need to be setup.
- 5) If you are not a member enter BETA for the license and the Member ID.
- 6) Next click on a category and answer the question that is displayed
- 7) You'll answer 20 questions in a session. You can submit your score (members only) 5 times a month.
- 8) If you are a member, your score will be tallied and compared to the other member's score.
- 9) The member's with the highest scores will get a distribution from the prize pool monthly.
- 10) For more information, please view the webpage in the About section of the application

Thanks,

Trivia Monster Design Team
